

Be FEARLESS against crime

<https://www.fearless.org/>

Fearless is a site where you can access non-judgemental information and advice about crime and criminality. What makes this site different is they also provide you with a safe place to give information about crime – 100% anonymously. If you have any information about crime and are unsure who you can pass this onto – you can let Fearless and let us know 100% anonymously. They are available 24 hours a day, 7 days a week – 365 days a year for you.

If you know something that has happened, have information about a place or person that has been involved in a crime or you know a crime is being planned you can let Fearless know safely without passing on any of your personal details using the Secure Online Form - <https://www.fearless.org/give-info-anonymously>

It's important to remember that they are not a replacement for the emergency services so our advice if something is happening that needs immediate action – ring 999.

Remember that you can also contact the school using the 'Report an Issue' link (see below) or by talking to your Community Team.
