

## **Safe in Essex**

Good Afternoon,

Safe in Essex have put together a virtual weekly online programme. This is for any young people ages 13-19 across Essex that want to join in and can access this via Microsoft teams. As you will see, some of the sessions will focus on topics which may affect young people such as our drug and alcohol awareness session or our LGBTQ+ session and others are a little less topical and focus on getting you moving around or creating your masterpiece.

Whatever it is that interests you, send us an email at; [essexreferrals@childrenssociety.org.uk](mailto:essexreferrals@childrenssociety.org.uk) or for any queries, please make contact with Rebecca Joy, Service Manager for The Children's Society on 07725 639571

If you have any queries please do not hesitate to contact me and I will be happy to help.

Many thanks,

Kate Brown
