

SAFEGUARDING CONCERN REPORTED 30TH JANUARY 2020

Dear Parents/ Carers,

I am writing to you to warn you about the app Yubo. This is currently being used by young people as a means of networking but can be exploited by adults for nefarious purposes. Please discuss safe internet use with your child and monitor their online activity as this app might lead to serious CSE risks, images being inadvertently or deliberately shared or the location of your child being shared with adults. This would put their safety at considerable risk.

If you require further advice or have any questions, please do contact the school.

Yours faithfully,

J. W. Loten

Deputy Headteacher
