RE: Online safety courses for parents:

Dear Parents/ Carers,

I wrote to you a few weeks ago to inform you of our subscription to National Online Safety. Further to this, I write now to point out some courses which might be of interest to you:

- [Online Safety for Parents of Children Aged 11-14](#)
- [Online Safety for Parents of Children Aged 14-18](#)

To access these please confirm your free access to NOS via this link: <http://nationalonlinesafety.com/enrol/harwich-and-dovercourt-high-school> then follow the links above. Completing these online courses should provide you with some excellent insights into the kind of risk your child faces in their online interactions.

Please let me know if you have any queries about this or if you require any further support confirming your membership to National Online Safety.

Yours faithfully,

J. W. Loten
Deputy Headteacher and Designated Safeguarding Lead
