**RE: National Online Safety Membership - sign up for parents**

Dear Parents/ Carers,

As tomorrow is Safer Internet Day, I am pleased to introduce you to National Online Safety. This website is a fantastic resource to help you stay on top of the latest online risks and contains lots of tips to keep your child safe online.

It also contains training, how-to videos, parent guides and a question and answer service which will support you (and HDHS) keep your child safe online. The risks online are constantly evolving, so this invaluable resource provides cutting-edge information.

To sign up follow this link:
