Statement of intent

Harwich and Dovercourt High School values all pupils and celebrates diversity of experience, interest and achievement. All pupils need to experience praise, recognition and success, and pupils with SEND have equal entitlement to this.

This policy outlines the framework for the school to meet its duty, obligation and principal equality values to provide a high-quality education to all of its pupils, including pupils with SEND, and to do everything it can to meet the needs of pupils with SEND.

Through successful implementation of this policy, the school aims to:

- Eliminate discrimination.
- Promote equal opportunities.
- Foster good relationships between pupils with SEND and pupils without SEND.

The school will work with the LA, or equivalent, within the following principles, which underpin this policy:

- The involvement of children, parents and young people in decision-making
- The identification of children and young people's needs
- Collaboration between education, health and social care services to provide support
- High quality provision to meet the needs of children and young people with SEND
- Greater choice and control for young people and parents over their support
- Successful preparation for adulthood, including independent living and employment

- DfE (2015) 'Special educational needs and disability code of practice: 0 to 25 years'
- DfE (2017) 'Supporting pupils at school with medical conditions'

- DfE (2018) 'Mental health and wellbeing provision in schools'

2. Identifying SEND

2.1. The school has a clear approach to identifying and responding to SEND. We recognise that early identification and effective provision improves long-term outcomes for the pupils.

2.2. With the support of the SLT, classroom teachers will conduct regular progress assessments for all pupils, with the aim of identifying pupils who are making less than expected progress.

2.3. Progress will be characterised using the following stipulations:

- Progress is significantly slower than the class average, from the same baseline
- Progress does not match or better the pupil's previous rate of progress
- Progress fails to close the attainment gap within the class

- The attainment gap is widened by the plateauing of progress

3. Definitions

3.1. For this policy, a pupil is defined as having SEND if they have a:

- Significantly greater difficulty in learning than most others of the same age.
- Disability or health condition that prevents or hinders them from making use of educational facilities used by peers of the same age in mainstream schools or mainstream post-16 institutions.

3.2. Under the Equality Act 2010, a disability is a physical or mental impairment which has a long-term and substantial adverse effect on a person's ability to carry out normal day-to-day activities.

3.3. The school reviews how well equipped we are to provide support across the following areas through our provision map:

- Communication and interaction
- Cognition and learning
- Social, emotional and mental health difficulties
- Sensory and physical needs

Communication and interaction

3.4. Pupils with speech, language and communication needs (SLCN) have difficulty in communicating with others, often because they have difficulty saying what they want, they cannot understand what is being said to them, or they do not understand or use social rules of communication.

3.5. The school recognises that:

- Pupils with Autism Spectrum Disorder (ASD), including Asperger's Syndrome and Autism, can have particular difficulties with social interaction.
- The profile for every pupil with SLCN is different and their needs may change over time. They may have difficulty with one, some, or all the different aspects of speech, language or social communication at different times of their lives.

3.6. The SENCO will work with pupils, parents and language and communication experts (where necessary) to ensure pupils with communication and interaction difficulties reach their potential.

Cognition and learning

3.7. Pupils with learning difficulties may require additional support beyond the classroom.

3.8. The school understands that learning difficulties cover a wide range of needs, such as moderate learning difficulties (MLD), severe learning difficulties (SLD) and

profound and multiple learning difficulties (PMLD). The SENCO will ensure that any provision offered will be suitable to the needs of the pupil.

- 3.9. Specific learning difficulties (SpLD), affect one or more specific aspects of learning. This encompasses a range of conditions such as dyslexia, dyscalculia and dyspraxia.

Social, emotional and mental health difficulties

- 3.10. Pupils may experience a wide range of social and emotional difficulties that manifest themselves in many ways, including becoming withdrawn or isolated, or displaying challenging, disruptive and disturbing behaviour.
- 3.11. The school recognises that these behaviours may reflect underlying mental health difficulties such as anxiety or depression, and the school will implement a Social, Emotional and Mental Health (SEMH) Policy to support pupils with these difficulties.

Sensory or physical needs

- 3.12. Impairments that prevent or hinder pupils from using the school facilities, such as vision impairment (VI), do not necessarily have SEND. The school will ensure staff understand that:
- Some conditions can be age-related and can fluctuate over time.
 - A pupil with a disability is covered by the definition of SEND if they require special educational provision.

4. Objectives

- 4.1. The school aims to achieve the core aims of this policy by achieving the following strategic and measurable objectives:
- To follow the graduated approach outlined in the DfE's 'SEND Code of Practice: 0 to 25 years'.
 - To monitor the progress of all pupils to aid the earliest possible identification of SEND.

5. Roles and responsibilities

- 5.1. The Local Governing body will be responsible for:
- Designating an appropriate member of staff to be the SENCO and having responsibility for coordinating provision for pupils with SEND.

- Appointing an individual governor or sub-committee to oversee the school's arrangements for SEND.

- Establishing and maintaining a culture of high expectations and including pupils with SEND in all opportunities available to other pupils.
- Reporting to the governing board on the impact of SEND policies and procedures, including on pupils' mental health and wellbeing.

5.3. The SENCO will be responsible for:

- Collaborating with the Local Governing body and headteacher, as part of the SLT, to determine the strategic development of the SEND policy and provision in the school.

- Drawing up a one-page profile of a pupil with SEND.
- Providing professional guidance to colleagues and working closely with staff members, parents and other agencies, including SEND charities.
- Being familiar with the provision in the Local Offer and being able to work with professionals who are providing a supporting role to the family.
- Ensuring, as far as possible, that pupils with SEND take part in activities run by the school, together with those who do not have SEND.
- Ensuring that the school keeps the records of all pupils with SEND up-to-date.
- Informing the parents of pupils with SEND, who do not have an EHC plan, that SEND provision is being made.
- Identifying any patterns in the identification of SEND within the school and comparing these with national data.

- Participating in training and CPD opportunities, some of which emphasise mental health to a greater extent.
- Providing training to relevant class teachers.
- Supporting teachers in the further assessment of a pupil's particular strengths and weaknesses, and advising on effective implementation of support.

5.4. Classroom teachers will be responsible for:

- Planning and reviewing support for pupils with SEND on a graduated basis, in collaboration with parents, the SENCO and, where appropriate, the pupils themselves.
- Setting high expectations for every pupil and aim to teach them the full curriculum, whatever their prior attainment.
- Planning lessons to address potential areas of difficulty to ensure that there are no barriers to every pupil achieving.
- Ensuring every pupil with SEND is able to study the full national curriculum.
- Being accountable for the progress and development of the pupils in their class.
- Being aware of the needs, outcomes sought, and support provided to any pupils with SEND they are working with.

6. Involving pupils and parents in decision-making

- 6.1. Parents of pupils with SEND are encouraged to share their knowledge of their child; the headteacher and SENCO will aim to give them the confidence that their views and contributions are valued and will be acted upon.
- 6.2. Parents will always be formally notified when the school provides their child with SEND support.
- 6.3. Decisions on whether the school will commission added provisions will be discussed thoroughly with the LA, parents and, when appropriate, the pupil involved.
- 6.4. Decisions about education will not unnecessarily disrupt a pupil's education or any health treatment underway.
- 6.5. The planning that the school implements will help parents and pupils with SEND express their needs, wishes and goals, and will:
 - Focus on the pupil as an individual, not allowing their SEND to become a label.
 - Be easy for pupils and their parents to understand by using clear, ordinary language and images, rather than professional jargon.
 - Highlight the pupil's strengths and capabilities.
 - Enable the pupil, and those who know them best, to say what they have done, what they are interested in and what outcomes they are seeking in the future.
 - Tailor support to the needs of the individual.
 - Organise assessments to minimise demands on families.

- Bring together relevant professionals to discuss and agree together the overall approach.

6.6. The class teacher, supported by the SENCO, will meet with pupils, and their parents as required to set clear outcomes, review progress, discuss activities and support, and identify parental responsibilities.

7. Joint commissioning, planning and delivery

7.1. The school is committed to ensuring that pupils with SEND can achieve their ambitions and the best possible educational outcomes, as well as other opportunities, such as securing employment and living as independently as possible.

7.2. The school will work closely with local education, health and social care services to ensure pupils get the right support.

7.3. The school assists the LA in carrying out their statutory duties under the Children and Families Act 2014, by ensuring that services work together where this promotes children and young people's wellbeing or improves the quality of special educational provision (Section 25 of the Children and Families Act 2014).

7.4. The school will plan, deliver and monitor services against how well outcomes have been met, including, but not limited to:

- Improved educational progress and outcomes for children and young people with SEND.
- Increasing the identification of pupils with SEND prior to school entry.

7.5. Where pupils with SEND also have a medical condition, their provision will be planned and delivered in coordination with the EHC plan.

7.6. SEND support will be adapted and/or replaced depending on its effectiveness in achieving the agreed outcomes.

8. Funding

8.1. The school will allocate the appropriate amount of core per-pupil funding and notional SEND budget outlined in the Local Offer for the SEND provision of its pupils.

8.2. Personal budgets are allocated from the LA's high needs funding block; the school will continue to make SEND provision from its own budgets, even if a pupil has an EHC plan.

9. Local Offer

9.1. In developing and reviewing the Local Offer, the school will adopt the following approach:

- **Collaborative:** The school will work with LAs, parents and pupils in developing and reviewing the Local Offer. The school will also co-operate with those providing services.
- **Accessible:** The published Local Offer will be easy to understand, factual and jargon free. It is structured in a way that relates to pupils' and parents' needs (for example by broad age group or type of special educational provision). It will be well signposted and publicised.
- **Comprehensive:** Parents and pupils will know what support can be expected to be available across education, health and social care from age 0 to 25 and how to access it. The Local Offer will include eligibility criteria for services, where relevant, and make it clear where to go for information, advice and support, as well as how to make complaints about provision or appeal against decisions.
- **Up-to-date:** When parents and pupils access the Local Offer, it is important that the information is up-to-date.

10. Graduated approach

- 10.1. Once a pupil with SEND has been identified, the school will employ a graduated approach to meet the pupil's needs by:
- Establishing a clear assessment of the pupil's needs.
 - Planning, with the pupil's parents, the interventions and support to be put in place, as well as the expected impact on progress, development and behaviour, along with a clear date for review.
 - Implementing the interventions, with the support of the SENCO.
 - Reviewing the effectiveness of the interventions, and making any necessary revisions.

11. Assessment

- 11.1. The school will, in consultation with the pupil's parents, request a statutory assessment of SEND where the pupil's needs cannot be met through the resources normally available within the school.
- 11.2. Consideration of whether SEND provision is required, and thus an EHC plan, will start with the desired outcomes and the views of the parents and pupil.
- 11.3. The school will meet its duty to respond to any request for information relating to a statutory assessment within six weeks of receipt.
- 11.4. The school will gather advice from relevant professionals about the pupil concerned, including their education, health and care needs, desired outcomes and any special education, health and care provision that may be required to meet their identified needs and achieve desired outcomes.
- 11.5. In tracking the learning and development of pupils with SEND, the school will:
- Base decisions on the insights of the pupil and their parents.
 - Set pupils challenging targets.

- Track their progress towards these goals.
 - Review additional or different provisions made for them.
 - Promote positive personal and social development outcomes.
 - Base approaches on the best possible evidence, and ensure that they are having the required impact on progress.
- 11.6. Detailed assessments will identify the full range of the individual's needs, not just the primary need.
- 11.7. Where possible, pupils' needs will be defined under the 'SEND Code of Practice: 0 to 25 years' broad areas of need:
- Communication and interaction
 - Cognition and learning
 - Social, emotional and mental health difficulties
 - Sensory and/or physical needs
- 11.8. Where a pupil continually makes little or no progress, or is working substantially below expected levels, the school will consult with parents before involving specialists.

12. Training

- 12.1. Relevant staff members will keep up-to-date with any necessary training, which will be provided by the SENCO as well as external agencies, where appropriate.
- 12.2. Training will cover both the mental and physical needs of pupils with SEND.
- 12.3. The training offered will be delivered to ensure equality, diversity, understanding and tolerance.
- 12.4. Mental health will be a key consideration for all training that the SENCO participates in, along with any training that staff are given.
- 12.5. During staff induction, all staff will receive SEND training.
- 12.6. Training will cover the following:
- Identifying SEND in pupils
 - Liaising with the school's SENCO
 - Implementing support measures
 - Monitoring the success of those support measures
 - De-escalation techniques
 - How to develop lessons so they are engaging for pupils with varying forms of SEND
 - Reasonable adjustments
 - How to help with emotional development

13. Promoting mental health and wellbeing

- 13.1. The school will implement a Social, Emotional and Mental Health Policy.
- 13.2. The curriculum for PSHE will focus on promoting pupils' resilience, confidence and ability to learn.
- 13.3. Positive classroom management and working in small groups will be implemented to promote positive behaviour, social development and high self-esteem.
- 13.4. A child psychologist will be available, from the LA, where a pupil requires such services.
- 13.5. Where appropriate, the school will support parents in the management and development of their child.
- 13.6. When in-school intervention is not appropriate, referrals and commissioning will be used instead. The school will continue to support the pupil as best it can.
- 13.7. For pupils with more complex problems, additional in-school support will include:
 - Supporting the pupil's teacher, to help them manage the pupil's behaviour.
 - Additional educational one-to-one support for the pupil.
 - One-to-one therapeutic work with the pupil, delivered by mental health specialists.
 - An IHP. All schools must comply with the statutory duty of caring for pupils with medical needs.
 - Family support and/or therapy, upon the recommendation of mental health professionals.
- 13.8. The school will also consider whether disruptive behaviour is a manifestation of SEMH needs.
- 13.9. The school will focus on work that helps to build self-esteem and self-discipline with the aim of addressing disruptive behaviour.

14. EHC plans

- 14.1. The school will fully cooperate with the LA when research about the pupil is being conducted.
- 14.2. The school will provide the LA with any information or evidence needed.
- 14.3. All relevant teachers will be involved in contributing information to the LA.
- 14.4. If the school decides to implement an EHC plan, the parents and the pupil will be informed, including the reasons for this decision.
- 14.5. The school will meet its duty to provide parents or the individual pupil with 15 calendar days to consider and provide views on a draft EHC plan.

- 14.6. If the decision is taken not to issue an EHC plan, the school will consider and implement the recommendations of feedback from the LA regarding how the pupil's outcomes can be met through the school's existing provision.
- 14.7. If the LA decides not to issue an EHC plan, the parents of the pupil, or the pupil themselves, will be informed within a maximum of 16 weeks from the initial request of an EHC assessment.
- 14.8. The school will ensure that all those teaching or working with a pupil named in an EHC plan are aware of the pupil's needs and that arrangements are in place to meet them.
- 14.9. All reasonable provisions will be taken by the school to provide a high standard of education.
- 14.10. Staff will be briefed about any potential problems and a procedure will be put into place to deal with certain situations.
- 14.11. The school will specify the outcomes sought for a pupil in terms of specific, measurable, achievable, realistic and time scaled (SMART) outcomes.
- 14.12. The school will ensure that each pupil's EHC plan includes the statutory sections outlined in the 'SEND Code of Practice: 0 to 25 years', labelled separately from one another.
- 14.13. If a pupil's needs significantly change, the school will request a re-assessment of an EHC plan at least six months after an initial assessment.
 - Thereafter, the Local Governing body or headteacher will request the LA to conduct a re-assessment of a pupil whenever they feel it is necessary.
 - Following the re-assessment, a final EHC plan will be issued within 14 weeks from the request being made.
- 14.14. The school will ensure that any EHC plan information is kept confidential and on a need-to-know basis.
- 14.15. Information regarding a pupil's EHC plan will only be shared with other educational institutions if the pupil is transferring there, for the institute to develop an individual learning plan.
- 14.16. The school will take steps to ensure that pupils and parents are actively supported in developing and reviewing EHC plans.
- 14.17. Where necessary, the school will provide support from an advocate to ensure the pupil's views are heard and acknowledged.
- 14.18. The school will ensure that parents are consistently kept involved throughout the implementation of an EHC plan.

14.19. The school will ensure that the whole process of an EHC needs assessment and development takes no longer than 20 weeks from when the initial request was received.

15. Reviewing the EHC plan

15.1. The school will:

- Cooperate with the relevant individuals to ensure an annual review meeting takes place, including convening the meeting on behalf of the LA if requested.
- Ensure that the appropriate people are given at least two weeks' notice of the date of the meeting.
- Contribute any relevant information and recommendations about the EHC plan to the LA, keeping parents involved at all times.
- Ensure that sufficient arrangements are put in place at the school to host the annual review meeting.
- Cooperate with the LA during annual reviews.
- Lead the review of the EHC plan in order to create the greatest confidence amongst pupils and their family.
- Seek advice and information about the pupil prior to the annual review meeting from all parties invited, and send any information gathered to all those invited, at least two weeks in advance of the meeting.
- Prepare and send a report of the meeting to everyone invited within four weeks of the meeting, which sets out any recommendations and amendments to the EHC plan.
- Provide the LA and parents with any evidence to support the proposed changes and giving those involved at least 15 days to comment and make representations.
- Clarify to the parents and pupil that they have the right to appeal the decisions made in regards to the EHC plan.

16. Transferring between different phases of education

16.1. EHC plans will be reviewed and amended in sufficient time prior to a pupil moving between key phases of education, to allow for planning for and, where necessary, commissioning of, support and provision at the new phase.

17. Supporting successful preparation for adulthood

17.1. The school will ensure that pupils are supported to make a smooth transition to whatever they will be doing next, e.g. moving on to higher education.

17.2. The school will engage with secondary schools and FE providers, as necessary, to help plan for any transitions.

17.3. The school will transfer all relevant information about pupils to any educational institution that they are transferring to.

- 17.4. If a pupil has been excluded, the school has a duty to arrange suitable, full-time education from the sixth day of a fixed period exclusion and to provide full details of any SEND provisions necessary, in accordance with the school's Exclusion Policy.
- 17.5. If it is in the best interest of the pupil, the school may commission alternative provision, in line with any EHC plans in place, for pupils who face barriers to participate in mainstream education.
- 17.6. The school will take an active role in preparing pupils with SEND for their transition into adult life, preparing them to achieve their ambitions in terms of HE or employment, taking responsibility for their health, where they will live, their relationships, their finances, social integration and independence.
- 17.7. The school will ensure that it meets its duty to secure independent, impartial careers guidance for pupils in Years 8-13, including:
- Discussing preparation for adulthood in planning meetings with pupils and parents from Year 8.
 - Helping pupils and their families prepare for the change in legal status once a pupil is above compulsory school age.

 - Securing access to independent, face-to-face support for pupils with SEND to make successful transitions.
- 17.8. The school will implement a Careers Policy, which will include details on how the school will work with pupils with SEND to ensure they are prepared for the workplace.

18. Data and record keeping

- 18.1. The school will:
- Include details of SEND, outcomes, action, agreed support, teaching strategies and the involvement of specialists, as part of its standard management information system to monitor the progress, behaviour and development of all pupils.
 - Maintain an accurate and up-to-date register of the provision made for pupils with SEND.
 - Show all the provisions the school makes which is different or additional to that offered through the school curriculum on a provision map.

19. Confidentiality

- 19.1. The school will not disclose any EHC plan without the consent of the pupil's parents, except for disclosure:
- To a SEND tribunal when parents appeal, and to the Secretary of State under the Education Act 1996.
 - On the order of any court for any criminal proceedings.
 - For the purposes of investigations of maladministration under the Local Government Act 1974.
